Paul Rooney Elected to MassAHU Board of Directors

Framingham, MA - The Massachusetts Association of Health Underwriters (MassAHU), the only association representing employee benefit health insurance brokers in the state, elected Paul J. Rooney to the Board of Directors at their Annual Membership Meeting in Framingham, Massachusetts. Mr. Rooney is the Managing Partner at EBS Capstone.

Mr. Rooney founded EBS Insurance Brokers in 1997 and served as President until 2006, when they merged with a property and casualty agency to form EBS Capstone. He has 19 years of experience in the insurance industry. A Certified Employee Benefits Specialist (CEBS), he has extensive experience in managed care, specifically developing plans for multi-state employers and negotiating pricing on behalf of his clients. Mr. Rooney is a member of the Board of Directors for the Boys and Girls Clubs of Boston, and a member of the advisory board of the South Boston Clubhouse. He is also the Founder and Trustee of the EBS Capstone Star Scholarship Program. Mr. Rooney resides in Milton, Massachusetts with his wife Lisa, and their children Alexandra, Nicholas, and Will.

As a professional association, MassAHU advocates for the best possible application of all health insurance, related products, and services in the Commonwealth of Massachusetts. MassAHU is an important resource for health insurance professionals, especially during a time when drastic changes have been made in the health insurance industry. Health insurance brokers and the businesses they represent are challenged with interpreting the Massachusetts Health Reform Act, and how it affects health insurance in Massachusetts.
